## DIGITAL

[www.worldhighways.com](http://www.worldhighways.com)

### World Highways website

The *World Highways* website will bring you the very latest in website functionality, with the most up-to-date content available relating to the road construction and network management industries.

The site is fully optimised for desktop, tablet and mobile and has a growing social media audience.

The website is constantly being updated, by the editorial team posting new content daily.

Our bi-weekly eNewsletters deliver this content, and our advertisers' marketing messages, directly to the inboxes of more than 20,845 industry professionals worldwide.

[www.worldhighways.com](http://www.worldhighways.com) provides a comprehensive range of digital advertising formats to suit your budget and marketing objectives. These include Leaderboards, MPUs, Catfish, Video, plus Sponsored and Native content options.

## Sponsored Content

In an industry that is permanently hungry for information, such as data sheets, case studies, and product data, content marketing can provide a new and exciting dimension to your campaign.

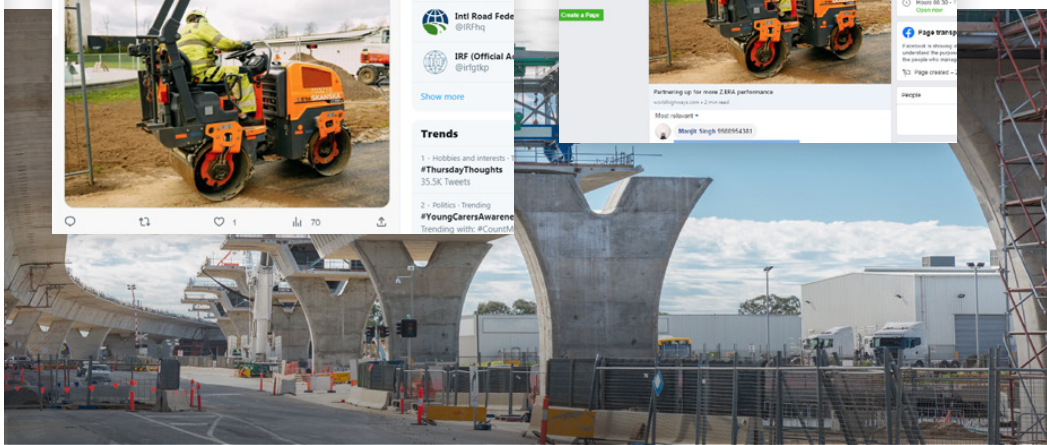

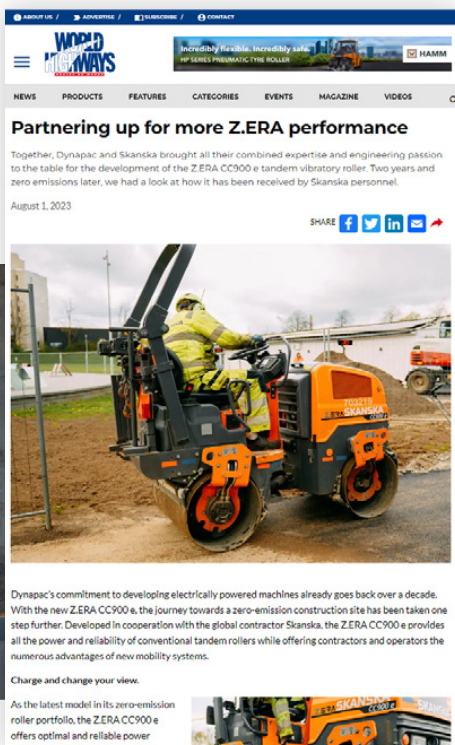

You can provide information that will help industry professionals in their jobs, while at the same time putting your company at the forefront as experts and thought leaders.

All sponsored content will appear in a prime position within the Features or Products sections for 1- month and then it will be archived and available for a further 12-months. It will be supported by promotion on the website, our eNewsletters and our growing social media audience.

## Video

Video is the fastest growing digital medium, as it is one of the most effective methods of engaging your target audience.

We understand that it is costly to create a company &/or product video, so, having made that investment, it is imperative to have it seen by as many transportation professionals as possible.

Through our new website, *World Highways* can now offer many excellent opportunities to help you reach this important industry audience on a worldwide basis.

We can even help create your own product and corporate videos. See below for more details.

## Banner Opportunities

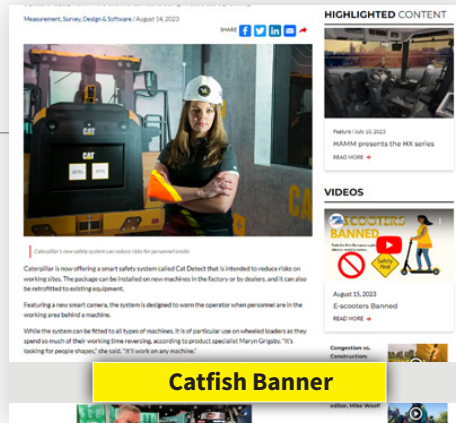

### Special Position – Catfish Banner (One advertiser per month)

This is the most visible position on the website as it appears at the bottom of every page apart from the Homepage, where it reverts to position H. The Catfish Banner effectively becomes part of the website, as it is constantly on-screen, even when visitors scroll the page or change pages. Every visitor will see the Catfish Banner and they can either click on it to visit your website, or close it until their next website session. Either way, they will have seen your brand and read your message. This is the most impactful position on the website, as it is exclusive to one company per month.

Desktop size: 728 x 90

Responsive sizes:

300 x 100, 300 x 50, 600 x 75

The Catfish banner floats above published content on the website.

## Banner Positions

### A Leaderboard (Max 3x Advertisers)

One of the largest and most visible advertising positions. With a leaderboard you're always going to be top and centre across the entire website.

Desktop Size: 728 x 90

Responsive size: 300 x 100

### B MPU (Max 5x Advertisers)

Very visible on the top right of the page across the entire website

Desktop/Responsive size: 300 x 250

### C Mini MPU (Max 3x Advertisers)

Desktop/Responsive Size: 300 x 100

### D MPU Premium Product Launch

(Max 1x Advertiser per month)

If you are launching a new product, this feature presents a fantastic opportunity. Included in the package is a product photograph(s) and up to 500-words of editorial content. This will receive prime positioning on the Homepage under the Products section and it will be integrated on every page of the website for one month.

Also included is a video and product data sheet for readers to view and a guaranteed 150 word editorial with photo, in the products section of the next printed edition of World Highways magazine.

Desktop/Responsive size: 300 x 250

### E MPU (Max 5x Advertisers)

Desktop/Responsive size: 300 x 250

### F Premium Video position

See Video Category on page 5

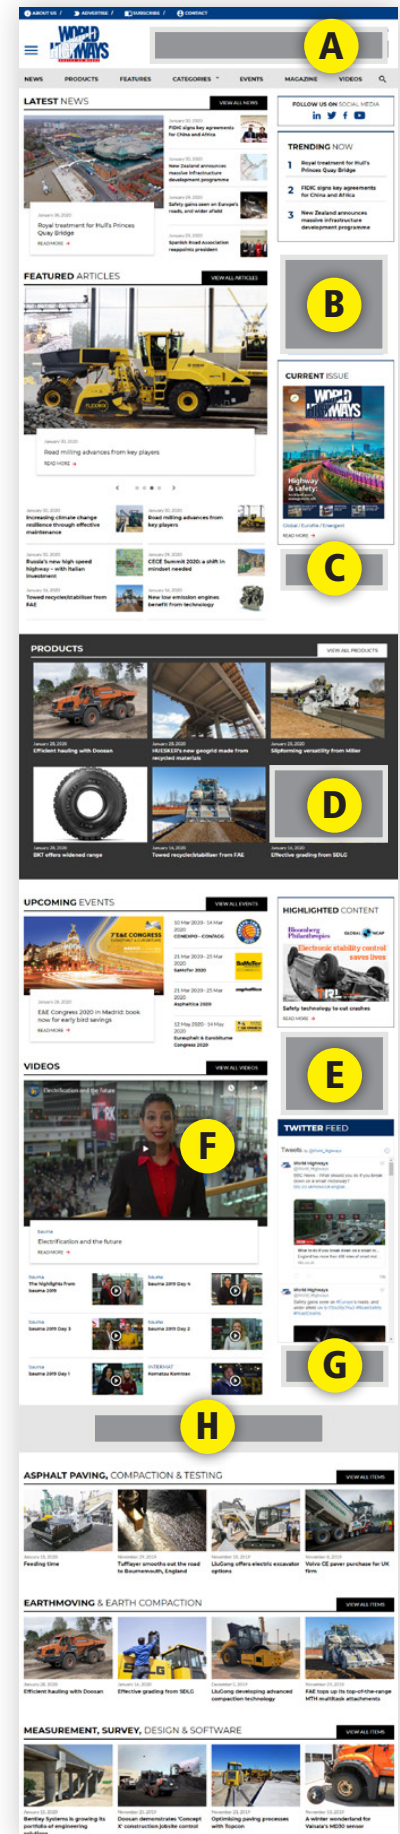

### G Mini MPU (Max 5 advertisers)
